

Dear Patients,

Dr. Dimsdale and I want to thank all the patients who have fueled our growth by referring friends and family to Hendersonville Carolina Mountain Dental through the years. I am writing to you to announce some changes. To best serve our patients, we believe a dedicated, full-time dentist is required to meet your needs.

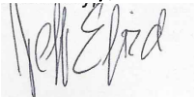

Effective July 2, 2018, Dr. Colleen Allen will replace Dr. Dimsdale and me at the Hendersonville office. We are all very excited that Dr. Allen has chosen to devote her talents and expertise in your community. Dr. Dimsdale and I have enjoyed practicing in Hendersonville and will certainly miss all of the wonderful patients we have gotten to know.

Rest assured you are in good hands with Dr. Allen. Many candidates interviewed for this position and Dr. Allen stood out among all others. She is a great clinician and delightful person. I'm sure everyone is going to enjoy meeting and developing a relationship with Dr. Allen.

The practice will have a new name --- Autumn Dental. The wonderful staff you know and trust of Whitley, Jennifer, Alex, and Stephanie will be staying on with Dr. Allen. Those dedicated people are the backbone of the practice and will make the transition a smooth one.

Drs. Efird, Dimsdale, and Allen would like to thank you for your past and continued support.

Sincerely,

A handwritten signature in black ink that reads "Jeff Efird". The signature is written in a cursive style and is positioned above the printed name of the sender.

Dr. Jeff Efird, DDS
